Discussion on 6114 Cedar Lane Property- Director Adams informed the Board the FAA recently completed their determination on the property allowing for us to proceed with the land release. He is currently scheduling an appraisal to determine fair market value. Attorney Sinclair stated we need to adopt a resolution of sale. Who you want to conduct the sale and how...ie sealed bids, etc. With sealed bids you can put in a reserve. A ten-day newspaper listing is required Options are auctions/sealed bids. We need an appraisal first. Director Adams suggests going with sealed bids. Commissioner Futrell asked is it possible for the property to be used for a business development? Commissioner Herzog stated his concern about a business development is that it is off the beaten path for a business. Commissioner Herzog also commented that we sell other things on public actions...like cars, etc. why not property. The Board decided to wait until appraisal is completed before moving forward with any decisions.

Discussion/Action on Payroll Increases for Individuals – Director Adams stated Denine and Crystal complete valuable tasks to the overall objectives of the Airport; the recommendation is a 4% pay increase to be effective June 1st. Commissioner Futrell moved to approve the payroll increase. Commissioner Kelly seconded the motion and in a roll call vote, the Commissioners voted:

Commissioner LaMarsh-	aye

The motion passed by a unanimous vote of the Board in favor.

Discussion/Action on Annual Performance Evaluation Form – this is a previously provided evaluation form developed by Attorney Sinclair. Looking for comments and adoption to use this evaluation form moving forward. Commissioner Futrell asked if the form can be changed annually? Attorney Sinclair stated yes, it can be modified. Commissioner Keister moved to accept the annual performance evaluation form. Commissioner Baileygaines seconded the motion and in a roll call vote, the Commissioners voted:

Commissioner LaMarsh-	aye
Commissioner Baileygaines-	aye
Commissioner Futrell-	aye
Commissioner Wilson-	aye
Commissioner Keister-	aye

The motion passed by a unanimous vote of the Board in favor.

Airport Director's report:

- a. Air Race Classic 3 donors
 - KCH Financial \$5,000
 - Liberty Bank \$2,000
 - Rivers and Routes marketing
- b. Bethalto appointed Brian Keister to a 5-year term on the Board starting June 1
- c. Thanks to Commissioner Amber Baileygaines for her three years of commitment to the St. Louis Regional Airport Authority dating back to June 2022.

Attorney's Report:

Attorney Sinclair informed the Board that Illinois Bell Telephone and Apex Oil have filed their annual tax objection with the county clerk's office. It is primarily handled by the supervisor assessment and states attorney office. We can intervene but we typically have not done so because it is their job to represent all the taxing bodies in those proceedings. That was for information only.

Announcements:

- The Airport Administration Office will be closed Monday, May 26th for Memorial Day
- Next Meeting: Thursday, June 12th, 4:30 pm in the Airport Administration Building.

Board member comments:

Commissioner Herzog mentioned the cemetery (Rose Lawn Memory Gardens)
Memorial Day event is a really nice event on Memorial Day. Also, he spoke with a scout
master with the boy scouts who inquired about in the past the scouts coming to the airport the
Friday before the fly-in for a camp out. He states it would be great community outreach. He will
give Director Adams the point of contact information. Director will reach out.

Commissioner Futrell inquired if the airport is 501c3? The answer was no. Attorney Sinclair stated for clarification a donation to the Airport Authority is tax deductible. 501c3 never applies to a government entity but a donation can be accepted and filed as a tax deduction. There was more conversation among Board member and Attorney on the subject.

Commissioner LaMarsh would like to thank the budget committee for creating the budget and the staff for creating the two helpful documents.

There being no further business to come before the Board, the meeting was adjourned.
